

PRABAHARAN ARWINTH

BICT UNDERGRADUATE • SOFTWARE ENGINEER GRAPHIC DESIGNER & WEB DEVELOPER

PROFILE

A passionate BICT student specializing in Graphic Design, Web Development, Software Design and Digital Technology — transforming ideas into meaningful digital experiences. Experienced in full-stack software development, UI/UX prototyping in Figma, and leading digital and web initiatives across university communities.

EXPERIENCE

IEEE Computer Society — UOV

2025 - PRESENT

Web Admin (Executive Committee)

- Managing and maintaining the chapter's web presence as part of the Executive Committee 2025/26 — shipping updates, optimizing pages, and keeping the digital platform fast and reliable.

AI Verse 2.0 • Teachmeetup • Zero Plastic

2024 - Present

Graphic Designer & Brand Creator

- Crafting event posters, social media creatives, and full brand identities for tech expos, education platforms, and environmental campaigns (including AI Verse 2.0 and Zero Plastic UOV).

Technologists Assoc. of Trincomalee (TATD)

2024 - 2025

Addl. Chief Executive Head - BICT

- Served on Board of Directors 2024/25 coordinating academic activities. Also provided technical support and logistics for developer sprints with GitHub Community Sri Lanka.
